### NOTICE

**TO:** All Interested Parties

**SUBJECT:** AB 2530 – Plastic Beverage Container Production Content Workshop

Effective March 1, 2018, California law will require plastic beverage container manufacturers subject to the California Redemption Value to report to the Department of Resources Recycling and Recovery (CalRecycle) the amount of virgin plastic and postconsumer recycled plastic used by the manufacturer for plastic beverage containers subject to the California Redemption Value for sale in the state of California in the previous calendar year [Public Resources Code Section 14549.3].

To collect input effectively and to allow exchange among interested parties, the Department will hold an informal preliminary workshop to discuss plastic beverage container production content issues. Your feedback at this workshop is important to help CalRecycle develop workable compliance approaches.

The following are the details if you plan to attend the workshop in person:

AB 2530 – Plastic Beverage Container Production Content Workshop  
Monday, December 12, 1:00 p.m. – 4:00 p.m.  
CalRecycle Facility  
1590 Raley Court, Suite 40  
West Sacramento, CA 95691-3488

For those unable to attend in person, the workshop will be broadcast via webinar. If you would like to attend via webinar, you can do so by accessing the CalRecycle Public Notice webpage which has been created for this workshop. Please use the following link/web address to access the Public Notice webpage:
